

Weekly Programs

Tuesday

5:30-6:30PM [8 & UP] *Beginning Archery* [\$35] Learn all the basics of archery. This class is perfect for anyone interested in learning and exploring the sport of archery.

5:30-6:30PM [7 & up] *Kids with Sticks II* [\$35] This class is for the advanced knitters out there. Prerequisite: Kids with Sticks.

Wednesday

5:30-6:30 [E] *Snow Science* [\$25]
Come join us to learn about the science of everything winter. We will learn about snowflakes, sledding, hibernation and much more!

6:45-7:45PM [E] *Nature Art* [\$30] If you like art and nature this class is perfect for you. Each week we will make a different craft inspired by or made with something from nature.

Thursday

5:30-6:30PM [8 & up] *Advanced Archery* [\$35] This class is for all you archers who know the basics and want to expand on your shooting skills. This class will focus on shooting skills and competitions. You must take Beginning archery prior to this class.

7:00-8:00PM [E] *Kids and Chemistry II* [\$30] This class is an extension to last sessions *Kids and Chemistry*. Grab your goggles and lab coat for this exciting class!. In this class kids will learn a little chemistry through hands-on experiments
